

# MENS SIZE GUIDE

Biz Care apparel sizes are designed to fit average industry standards for the below body measurements. Please use this handy Body Measurement Guide to compare your own measurements and help you determine which size to order.

Use these measurements as a guide when selecting the right size garment, but also take into consideration the garment fit.

**A. CHEST** - Measure under your arms and across shoulder blades, around the fullest part of your chest. Hold one finger between body and tape.

**B. WAIST** - Measure around your natural waistline while holding one finger between body and tape. Measure over shirt at position your pants would normally sit.

**C. IN SEAM** - Measure from the crotch seam to the bottom of the inside leg of a well-fitting pair of pants.

**PANT LENGTHS** - Pants will vary in length depending on the height of each individual and also their shape. Most pants come with a hem allowance for easy alterations.
